FREE Zoom Online seminar

Purpose of the seminar

The seminar aims to share the recent activities of Yamaguchi University alumni, and to provide a place for interaction among alumni from various countries and students at Yamaguchi University. It also focuses on sharing local disasters and environmental problems and creating opportunities for international research cooperation. This seminar also aims to follow up on recovery and subsequent issues following the Timor-Leste* heavy rain disaster in April 2021. The organizer welcomes participation of not only Yamaguchi University alumni and students but also those who are interested in disaster prevention and the environment.

*Timor-Leste = The Democratic Republic of Timor-Leste (East Timor)
