Organizer: Disaster Prevention and Mitigation Group, Research Center for Local Resilience (DPMG), Yamaguchi Univ.
Co-organizer: Department of Civil and Environmental Engineering, Faculty of Engineering, Yamaguchi Univ.

FREE Zoom Online seminar

Purpose of the seminar

The seminar aims to share the recent activities of Yamaguchi University alumni, and to provide a place for interaction among alumni from various countries and students at Yamaguchi University. It also focuses on sharing local disasters and environmental problems and creating opportunities for international research cooperation. The organizer welcomes participation of not only Yamaguchi University alumni and students but also those who are interested in disaster prevention and the environment.

Call for Oral Presentations (deadline February 20, 2026)

We welcome Yamaguchi University alumni and students to make an oral presentation. Topics related to disaster prevention and mitigation and environmental problems in your countries are welcome, but any other topics are also acceptable. We also welcome research presentations that have already been published elsewhere. The time allocation per person is planned to be 12 minutes for the presentation and 3 minutes for the questions and answers. Those who are planning to make an oral presentation, please fill out the **Application for Oral Presentation by Friday, February 20, 2026, 11:00 p.m.**
