

Workshop on Recent Progress in Evolution Equations

Guangdong University of Finance, Guangzhou, 10.08.-13.08.2015

Organizers: Liying Sun (Guangzhou), Liu Yan (Guangzhou), Fumihiko Hirose (Yamaguchi), Michael Reissig (Freiberg)

Schedule:

August 10: We will go from Macau to Guangzhou, a bus of Guangdong University of Finance will pick us up at the station.

In the afternoon we will have lectures.

August 11: All the day we plan lectures.

August 12: In the morning we will have lectures. After lunch we plan sight-seeing in Guangzhou.

August 13: Day of departure

During our stay the Guangdong University of Finance will offer lunch and dinner. Moreover, the Department of Mathematics and Prof.Liu Yan cover the fee for accommodation in a hotel close to university.

The organizers ask participants to give a lecture about a topic which is a bit different to the one in Macau.

Participants should care for visa (this can be done in Macau) and for train ticket (this can be done in Macau).

For the organizers

Michael Reissig
