

国際学会での学術セッション(シンポジウム、ワークショップ、教育コース)の企画

西暦年	月	種別	企画者 (司会者)	セッション名	学会名	開催地	開催期間	発表日	参加者 概数
2002	8	symposium	<u>Ishikawa T</u>	Recent concepts of Pain Mechanisms.	2nd International Symposium of Spinal Analgesia	Tokyo, Japan	Aug 8	Aug 8	200
2002	10	symposium	<u>Ishikawa T</u>	Future direction of Pain Pharmacology.	1st International Symposium on Spinal Cord Sciences	Tokyo, Japan	Feb 2	Feb 2	150
2002	11	educational course	<u>Ichihara K</u>	Educational Course on Biostatistics: Biostatistics for the clinical chemists -- from method comparison to clinical	The 18th International Congress of Clinical Chemistry 2002, Kyoto	Kyoto, Japan	Oct 20~24, 2002	Oct 21~23	330 (110×3)
2002	11	symposium	<u>Ichihara K</u>	New concept and approaches for determination of the reference interval.	The 18th International Congress of Clinical Chemistry 2002, Kyoto	Kyoto, Japan	Oct 20~24, 2002	Oct 22	65
2003	3	symposium	<u>Ishikawa T</u>	Neuroplasticity and stem cell in spinal cord.	3 rd International Symposium on Spinal Cord Sciences	Ube, Japan	Mar 26-27	Mar 26- 27	150
2003	10	workshop	<u>Ichihara K</u>	Clinical demand and strategy for multivariate approaches to evidence-based laboratory medicine.	The 119th Cochrane Colloquium.	Barcelona , Spain	Oct 26-31, 2003	Oct 27	6
2007	10	symposium	<u>Ichihara K</u>	Activities and Progress of the Scientific Committee.	The 11th Asian Pacific Congress of Clinical Biochemistry.	Beijing, China	Oct. 14-19, 2007	Oct.16	80
2008	4	symposium	<u>Ichihara K</u> , <u>Swabe</u>	Intelligent Systems for Improve Quality and Interpretation of Laboratory Result.	The 6th International Conference of Clinical Laboratory Automation and Robotics.	Kobe, Japan	Apr. 18-19, 2008	Apr. 19	140
2009	9	symposium	<u>Ichihara K</u>	International Symp on Joint Determination of Reference Intervals and Data Analysis for Evidence-Based Laboratory Medicine.	International Symp on Joint Determination of Reference Intervals and Data Analysis for Evidence-Based Laboratory Medicine.	Osaka, Japan	Sep 15~16, 2009	Sep 15	60
2010	10	educational course	<u>Ichihara K</u>	Multivariate Analyses for Laboratory Scientists	The 12th Asian-Pacific Congress of Clinical Biochemistry.	Seoul, Korea	Oct 3~7, 2010	Oct 3	30
2010	10	symposium	<u>Ichihara K</u>	The Asian Project for Joint Derivation of Reference Intervals and Exploration of Diagnostic Evidence for Laboratory	The 12th Asian-Pacific Congress of Clinical Biochemistry.	Seoul, Korea	Oct 3~7, 2010	Oct 6	70
2011	6	workshop	<u>Ichihara K</u>	Lessons from the Asian - Pacific multicenter reference interval study.	The 20th International Congress of Clinical Chemistry (IFCC/EFCC WorldMedLab 2011	Berlin, Germany	May 15~19, 2011	May 17	110
2012	5	educational course	<u>Ichihara K</u>	Preconference Workshop: An intensive course on statistics: from basics to multivariate analyses by use of visual software.	The 3rd National Genetic Diseases Conference 2012, United Arab Emirates.	Ras Al Khaimah, UAE	May 3~5, 2012	May 2	30
2012	10	workshop	<u>Ichihara K</u> , <u>Kim JH</u>	Establishment of Reference Intervals: Still a Challenging Issue !	The 12th Asian Society of Clinical Pathology and Laboratory Medicine.	Kyoto, Japan	Nov. 29- Dec. 1, 2012	Dec 1	80
