(2) Application result notification January 2027 (planed)

3. In case of missing documents

After the application documents are submitted, if there are any missing documents, the University will ask the applicant to submit them by the deadline specified by the University. If you are contacted by phone or email to the applicant's official Yamaguchi University email address, please respond as soon as possible.

If the missing documents are not submitted by the deadline specified by the University, a written reminder will be sent. If the documents are not submitted by the deadline specified in the reminder letter, the application will be invalidated. Please keep this in mind.

4. How to check application results and Tuition payment

✓ You can download the decision notice of the application result uploaded on the Tuition Waiver Student System. The date when the decision notice can be downloaded will be announced to the official Yamaguchi University email address.

✓ Applicants for tuition fee waiver should not pay the tuition fee since the payment of tuition fee will be deferred until the applicant is notified of the result of the application. In principle, tuition fees are non-refundable once paid. If you pay the tuition, you will have declined the application for exemption from tuition. If the tuition fee is automatically withdrawn, the University will stop withdrawing at the end of November.

✓ If payment of tuition fees is required as a result of the application, please confirm the details of the payment method, etc. in the result notification. Please note that failure to pay the tuition fee may result in expulsion from the program.

5. Precautions

✓ Depending on the circumstances of the applicant and his/her family, the applicant may be asked to submit documents that are not listed as documents to be submitted.

✓ After submitting the application documents, please notify the Student Services Section of the Student Support Division as soon as possible, if there is a change in your family's financial situation due to a change in employment, or if there is a change in your family's financial situation due to a family member living in the same household becoming independent.

✓ In the following cases, contact the Student Support Section, Student Support Division, as soon as possible. (If the applicant takes a leave of absence or withdraws from school after application, or if there is a change in the applicant's contact information)

✓ If the information in the application documents is not true, the granting of the exemption may be revoked even after notification of the results of the application.

✓ Once submitted, documents cannot be returned or viewed.

✓ If you fail to submit the required documents within the application period, your application will be invalidated even if you have completed the system input.

✓ (For applicants requesting admission fee waiver who are not applying for tuition fee waiver) Tuition fee will be deducted before the decision on admission fee waiver. Please note that if you are subsequently removed from the student registry due to non-payment of the entrance fee after the paying tuition fee, tuition fees will not be refunded.
